Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Saturday 31 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Early cloud breaking to sunny spells and occasionally heavy showers.

Today:
Early cloud breaking through the day with some brighter or sunny spells developing and winds easing. Scattered showers developing into the afternoon, turning heavy and perhaps thundery in places. Maximum temperature 22 deg C (72 deg F).

Tonight:
Rather cloudy overnight, with limited clearer spells. Evening showers largely fading, with most parts dry, but one or two outbreaks of rain will remain possible throughout. Minimum temperature 13 deg C (55 deg F).

Sunday:
A few outbreaks of rain possible during the morning before early cloud breaks and lifts to give some brighter or sunny spells. Showers developing by the afternoon again, occasionally heavy. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Often rather cloudy Monday with showers, but some sunny spells also possible. Likely drier Tuesday and Wednesday with sunny spells, variable cloud and just the odd light shower possible.
